

Past Conference Report – 2nd International Conference on Diabetes, Endocrinology and Metabolism

Atanas Baltadjiev

Associate Professor, Department of Anatomy, Medical University of Plovdiv Bulgaria, E-mail: dr_atanas@abv.bg

The 2nd International Conference on Diabetes, Endocrinology & Metabolism (World Diabetes 2019) hosted by EuroSciCon Ltd. took place at Holiday Inn Amsterdam, Arena Towers, Netherlands during March 7-8, 2019. It was organized by EuroSciCon Ltd. and generous response was received from the Editorial Board Members of EuroSciCon Ltd Journals as well as from eminent scientists, talented researchers and young student community. Researchers and students who attended from different parts of the world made the conference one of the most successful and productive events in 2018 from EuroSciCon Ltd. The two day program witnessed thought provoking keynote and plenary presentations from experts in the field of Diabetes, highlighting the theme, "Novel trends and Advancements in Diabetes, Endocrinology & Metabolism".

Our Attendees obtained the updated and current research development information in the arena of Diabetes and Endocrinology that they were seeking, and that their role in the field has been enhanced via their participation and communication with other experts. They were able to take part in all the sessions and take advantage of the tremendous advancements in Diabetes and Endocrinology that scientists are working with.

The Majorly Focused Highlights for our World Diabetes 2019 Conference were Diabetes type 1, Diabetes type 2, Endocrinology and metabolism, Diabetic Retinopathy, Diabetic Neuropathy, Diabetic nephropathy, Obesity, Clinical research and Case studies, Diabetic Nutrition & Physical Fitness, Genetics of Diabetes, Prediabetes, Diabetes Complications, Public Health challenges of Diabetes, Gestational Diabetes, Thyroid Disorders, Endocrinology Disorders etc.

Pathophysiology of Endocrine Glands and Their Hormones

- Prediabetes
- Obesity
- Type 1 Diabetes
- Type 2 Diabetes
- Pathophysiology Of Endocrine Glands And Their Hormones

- Prediabetes
- Obesity
- Type 1 Diabetes
- Type 2 Diabetes
- Endocrine System And Diabetes
- Gestational Diabetes
- Diabetic Retinopathy
- Diabetic Macular Edema
- Diabetic Neuropathy
- Diabetic Nutrition & Physical Fitness
- Cellular Reprogramming And Genome Editing
- Cell Transplantation In Diabetes
- Metabolic And Bariatric Surgeries
- Diabetes Complications
- Clinical Research And Case Studies
- Public Health Challenges Of Diabetes

The highlights of the meeting were form the eminent keynote lectures from

- **Sergey Suchkov**, Astrakhan State Medical University, Russia
- **Deepak Puri**, Director and Head Cardiovascular Sciences, Ivy Healthcare, India
- **Malgorzata Radowicka**, Medical University of Warsaw, Poland
- **Carlos Antillon**, National Autonomous University of Mexico, Mexico

World Diabetes 2019 is a leading forum for academic faculty, audience of industries, healthcare, research research, and medical practitioners, diabetes and endocrinology, President's, Founders, CEO's, business delegates, investors in diabetes and endocrinology, young researchers and talented student communities from universities and research labs providing an ideal environment to share the latest innovations in the diabetes and endocrinology research.

We would specially thank the Moderator of the Carlos Antillon, National Autonomous University of Mexico, Mexico for his contribution for the conference.

We are obliged to the various delegates from companies and institutes who actively took part in the discussions.

Members and Editorial board of World Diabetes 2019 for their gracious presence and continuous support throughout the proceedings of this event. With the valuable feedback and generous response received from the participants of the event. EuroSciCon Ltd. would like to announce the commencement of "13th International Conference on Diabetes, Endocrinology & Metabolism" during January 29-30, 2020 at Sydney, Australia.

Let us meet again@ [World Diabetes 2020](#)

Kind Regards,

Catherine Thomas | Program Director
