

## Successful Completion of 2<sup>nd</sup> International Conference on Diabetes, Endocrinology & Metabolism in Amsterdam, Netherlands on March 7-8, 2019

**Atanas Baltadjiev**

Associate Professor, Department of Anatomy, Medical University of Plovdiv, Bulgaria, E-mail: [dr\\_atanas@abv.bg](mailto:dr_atanas@abv.bg)

### Journal of Diabetes Research and Endocrinology

Another Diabetes conference has been successfully completed the 2nd Edition. We must thank the attendees, Holiday Inn Amsterdam, Arena Towers, Conference Centre Staff, the Organizing Committee, Ad-Sponsors, Media partners and everyone else that helped to make this 2nd International Conference on Diabetes, Endocrinology & Metabolism with the theme, Novel trends and Advancements in Diabetes, Endocrinology & Metabolism a huge successful conference.

Our Attendees obtained the updated and current research development information in the arena of Diabetes and Endocrinology that they were seeking, and that their role in the field has been enhanced via their participation and communication with other experts. They were able to take part in all the sessions and take advantage of the tremendous advancements in Diabetes and Endocrinology that scientists are working with.

The Majorly Focused Highlights for our World Diabetes 2019 Conference were Diabetes type 1, Diabetes type 2, Endocrinology and metabolism, Diabetic Retinopathy, Diabetic Neuropathy, Diabetic nephropathy, Obesity, Clinical research and Case studies, Diabetic Nutrition & Physical Fitness, Genetics of Diabetes, Prediabetes, Diabetes Complications, Public Health challenges of Diabetes, Gestational Diabetes, Thyroid Disorders, Endocrinology Disorders etc.

Dai-Min Zhang, Nanjing Medical University, China

Maria Felice Brizzi, University of Torino, Italy

Veronique Michaud University of Florida, Usa.

Hence, World Diabetes 2019 gave justice to the theme "Novel trends and Advancements in Diabetes, Endocrinology & Metabolism"

All thanks to our Media partners also for associating with us.

Pharma voice, Scoop.it, FENS, Medgate today Magazine, LIINE UP, Crowd Reviews, Enliven Archive, Kind Congress, Manuscript Edit, Pink Medico, Placid Way, Tabeeby, The Pharma Times and Vydy Health.

*Glimpses of Past Conference World Diabetes 2018*

#### **SAVE THE DATE, World Diabetes 2020 is coming!**

Followed by the Successful Completion of the [World Diabetes 2019](#), we are hosting its next edition “13<sup>th</sup> International Conference on Diabetes, Endocrinology & Metabolism in Sydney, Australia on January 29-30, 2020.

The theme focused for the World Diabetes 2020-  
**Diabetes: Prevent, Treat and Manage**

Having you all with us for our World Diabetes 2020 is a matter of great joy and excitement. We look forward to you all sharing your incredible knowledge, research ideas and to make a sprinkle with new enhancements at this 2-days event.

This time we have introduced some new highlights for our World Diabetes 2020

Diabetes type 1, Diabetes type 2, Endocrinology and metabolism, Diabetic Retinopathy, Diabetic Neuropathy, Diabetic nephropathy, Obesity, Clinical research and Case studies, Diabetic Nutrition & Physical Fitness, Genetics of Diabetes, Prediabetes, Diabetes Complications, Public Health challenges of Diabetes, Gestational Diabetes, Thyroid Disorders, Endocrinology Disorders etc.

World Diabetes 2020 aims to bring all the Diabetes and

Endocrinology professionals under all Diabetes fields for our Diabetes Conference to interact and share their knowledge and their newest research to the entire Diabetes Community

Also this time, Our Diabetes Conference will be focus destination for the International Diabetes Research Societies, Associations, and Organizations. This event will bring together Nurse practitioners, Directors, Professors, Students from academia and researchers in the field of Diabetes and Endocrinology, Government officials and global leaders to push forward the Diabetic and Endocrinology Research.

Diabetic Event is expecting more than 200+ Participants to enlighten the program. This time the Australia Diabetes Conference will organize several Oral and Poster Presentations/Networking Sessions/Workshops/Symposiums/Exhibition as we have introduced several new tracks to bring in more participants.

We are looking forward for the World Diabetes 2020 conference to be successful just as the World Diabetes 2020 Conference!

We welcome all the Diabetes and Endocrinology Professionals, Delegates, Researchers, and Students to make your beautiful presence in Sydney, Australia on January 29-30, 2020.

Kind Regards,

Catherine Thomas | Program Director
